Publicity of Open Space and Recreation Plan and App

- Include picture of cover and link to app – send electronically to Advocate, Patch, ACMI, Arlington e-mail list, Friends groups, Land Trust, Vision 2020, Park and Rec, Real estate (send to admins of these companies), etc.
- Ask them to share with as many networks as possible
- Send open space map and app information to Arlington students and families (now and in spring)—research lists and networks for distribution
- Park and Rec suggestion on the App – Robbins Farm shows sledding – add new images from other seasons

Connecting Arlington's Open Spaces (Kelsey Cowen)

- Maps of walking trails (drafts of 3): one large loop, concentric loops, and linear routes
- Kelwyn Manor Association needs to be contacted about proposed route through their neighborhood
- Points of interest noted on maps
- Add parking to loops – but most users are anticipated to be from Arlington
- Next steps: consolidate maps and information with proposal and send to key stakeholders
 - o See last month's list + Friends of Waldo, Rachael Stark (Walking in Arlington), Arlington Center for the Arts, ...
 - o If there is interest, can we hold one information meeting? More efficient than meeting each group individually. We should select a date: Fox Library meeting room on January 14 (Thursday) – many other meeting spots also possible if this space is not available.

PicturePost

- PicturePost expanding into National Parks – additional education/support materials being created – will help Arlington citizens and schools use images from our posts
- Meet with Arlington Reservoir Friends next Tuesday (11/17)
- Gardens in Arlington may be supported too
